## GETTING AROUND

### Hampton Roads Transit

Hampton Roads Transit (HRT) is the local transit agency for the 757. Their mission is to provide reliable and sustainable transportation throughout the community. HRT manages the bus routes that go through the cities of Virginia Beach, Chesapeake, Hampton, Newport News, and Portsmouth. They also run The Tide (Norfolk's light rail) and the ferry.

You can purchase a **GOPass** and ride as many times as you would like in a day, or you can buy a single-fare trip. If you are paying with cash and have the exact amount, you can pay when you board. To use a debit or credit card, you must purchase your tickets at either a Ticket Vending Machine or one of their many retail outlets. Plan your route today at [gohrt.com](http://gohrt.com).
